

Introduction:

This truck bed cargo bag from San Hima is as stable as it is spacious. It provides 25.5 cubic feet of extraordinary storage space, which is enough to store all your luggage and equipment and is also designed to fit truck beds of all sizes. This bag, which is equipped with heavy-duty coated water-proof fabric with heat fusion technology, is built to resist water, harsh weather, corrosion, moisture, UV and scraps. The connecting pad of this bag has also been strengthened to further secure the load.

Attention:

1. Please install the bag at the right direction in accordance with the instruction.
2. Please do not cram the bag.
3. Please pay attention to the stitching.
4. Please make sure that items inside the bag are fixated.
5. Please do not put sharp objects into the bag.
6. When not in use, please fold down and store the bag.
7. Before driving, please make sure that the bag is properly fastened.
8. When traveling, please periodically check the bag to ensure the load is securely held.

- Technique: Heat Fusion Seaming
- Weight: 12.17 pounds (5.520kg)
- Warranty: 1 Year
- Drilling Required: No
- Key Lock Included: No
- Waterproof: Yes

Instructions:

Bag Setup:

1. Please first roll the bag out fully, and lay flat with the SAN HIMA logo facing up.

2. Then connect the adjustable bungee straps to the truck bed, and top 4 corner handles (Note: there are 8 corner handles in total, but only 4 are needed to setup the bag).

3. Next, you can load bag with cargo, luggage, etc. Once your bag is loaded, please close main zipper and adjust straps to your preference.

Hook & Strap Setup:

1. Please connect straps hooks to the corner handles and to truck bed. Slide hook end through the bag corner.

2. Pull hook up through the bag's corner handle and loop cord into the small back hook.

3. Loop larger hook around cord as shown above. Cord strap should stay in place, but still loose as to not place too much tension on rings.

4. The same applies to all 4 corner handles. All straps should be secure, but not too tight as to place too much tension on bag's corners.

Warranty:

San Hima warrants that each of its truck cargo bag that is purchased while this Warranty is in effect will be free from defects in materials and workmanship for a period of 1 year from the date of receiving the product from San Hima or its authorized distributor/dealer. If the product fails during the 1-year Warranty Period as a result of defects in materials or workmanship, San Hima will, at its option, repair it, replace it with the same or similar product, or will issue a refund. San Hima will pay for the cost of shipping or transportation of a defective component to us.

Any and all warranty coverage does not cover replacement of parts and components damaged by abuse, neglect, improper or unreasonable use, crash damage, water or excessive moisture, chemical damage, improper or infrequent maintenance, accident, unauthorized alteration or modification or items that are considered consumable.
